

Conrad Family Trip — Master Itinerary

London & Scotland · September 10–21, 2026

CHECKLIST

Sept 5 — Place AirTags in all 4 bags

Sling bag, passport cover, backpack, Solgaard Carry-On Closet.

Sept 9 — Activate eSIM

Sim Local, 150GB, EE network — activate the day before departure to preserve the 30-day window.

Sept 9 — Charge Garmin Epix 53 fully and pack the charger

Battery life has degraded — bring the charger, don't rely on a single charge lasting the trip.

Sept 11 — Book The Himalayas Putting Green

18-hole course requires booking ~4 days ahead. Book online at standrewsputtingclub.com/himalayas-putting-book-online for the afternoon of Sept 15, on arrival in St Andrews from Gullane. Address: The Links, St Andrews, Fife KY16 9JD. Phone +44 1334 475196.

Sept 13 — Book car to King's Cross for the morning of Sept 14

~6:00 AM pickup from Novotel Paddington. For 4 people plus luggage, an Uber XL (or Bolt XL) booked/scheduled the night before is the cheapest reliable option — a standard black cab may not fit 4 people and full luggage in one vehicle. Schedule via the Uber app's 'reserve' feature the night before to lock in a car for that early hour.
